

## Dress Code for all Students

The Tallahassee Adventist Christian Academy accepts the Bible principles of modesty. The dress of boys and girls in our Christian school must measure up to certain standards. When there is a question of proper attire, the principal will make the final decision.

It is required that students wear uniforms. All shirts are to be tucked in. Attire that is tight fitting, faded, torn, baggy, oversized, or dragging is unacceptable. The Dress Code applies to all school functions, unless specified. The school uniform consists of:
